

Student travel grants of Central European IUSSI – Application process

Who is eligible?

To be eligible for a travel grant students have to be members of the Central European Section. PhD-students or students (Master / Bachelor) can apply. This time we will include persons that have just finished their PhD (i.e. in 2014 before the meeting) as PhD-students in their last year or those that have just finished will be profit most as they can connect to potential supervisors for PostDoc positions.

What needs to be done?

Students should have an accepted contribution at the respective conference (poster or talk) and need to be presenting author. Thus each student needs to have her/his own contribution to be eligible for funding; it will not be possible that two travel grants are awarded for the same presentation.

The application itself consists of a letter of motivation by the student, a short CV (including publication list), a list of the travel costs and the abstract for the contribution. The application should be send to Heike Feldhaar (feldhaar@uni-bayreuth.de) as a single pdf-file. The decision will be taken within three weeks by a committee consisting of Jan Oettler, Susanne Foitzik, Balint Marko, Volker Witte and Heike Feldhaar.

How much can be funded?

Funding is limited to a maximum of 50% of the total travel costs (including conference fees). For students from Eastern Europa (e.g. Romania) a maximum of up to 75% of the total travel costs may be funded.

Please note that only we will only fund a maximum of 50% of the Early Bird Registration fee.

Signed

H. Feldhaar, Secretary of the Central European Section of the IUSSI
